### **Chairman Herger Announces Hearing on MedPAC's Annual March Report to Congress**

Tuesday, March 08, 2011

House Ways and Means Health Subcommittee Chairman Wally Herger (R-CA) today announced that the Subcommittee on Health will hold a hearing on the Medicare Payment Advisory Commission's (MedPAC) annual March Report to the Congress which details the Commission's recommendations for updating Medicare payment policies. The Subcommittee will hear from MedPAC's Chairman, Glenn Hackbarth. **The hearing will take place on Tuesday, March 15, 2011, in 1100 Longworth House Office Building, beginning at 1:00 P.M.**

In view of the limited time available to hear the witness, oral testimony at this hearing will be from the invited witness only. However, any individual or organization not scheduled for an oral appearance may submit a written statement for consideration by the Committee and for inclusion in the printed record of the hearing.

#### **BACKGROUND:**

MedPAC advises Congress on Medicare payment policy. The Commission is required by law to submit its annual advice and recommendations on Medicare payment policy by March 15. In its March report to the Congress, MedPAC is required to review and make recommendations on payment policies for specific provider groups, including hospitals, skilled nursing facilities, physicians, Medicare Advantage plans, and other providers.

In announcing the hearing, Chairman Herger stated, **"MedPAC provides valuable technical advice and counsel to Congress on the Medicare program, ranging from recommendations on payment adequacy to ways in which we can improve the delivery and quality of care for seniors and people with disabilities. This hearing will offer the Subcommittee an opportunity for an in-depth exploration of MedPAC's recent recommendations and their impact on the Medicare program and its beneficiaries. As we confront the issues surrounding implementation of the health care overhaul law passed last year and the continued need to reform entitlement programs, the information we receive from MedPAC will be more important than ever."**

#### **FOCUS OF THE HEARING:**

The hearing will focus on MedPAC's March 2011 Report to the Congress on Medicare payment policies.
