Issa Statement on the Resignation of HHS Secretary Kathleen Sebelius

WASHINGTON – House Oversight and Government Reform Committee Chairman Darrell Issa, R-Calif., today released the following statement on the resignation of Department of Health and Human Services Secretary Kathleen Sebelius:

“Kathleen Sebelius had a supremely difficult job implementing a law as unpopular and unwieldy as ObamaCare. Her tenure as the head of the Department of Health and Human Services may be at an end, but Americans will be dealing with the repercussions of the president's health law for a very long time.”
