EMBARGOED FOR 8:00PM ET: White House Releases New State-by-State Reports on the Impacts of the Sequester

WASHINGTON, DC - Today, the White House is releasing new state-by-state reports on the devastating impact the sequester will have on jobs and middle class families across the country if Congressional Republicans fail to compromise to avert the sequester by March 1st.

These reports are EMBARGOED until tonight at 8:00PM ET. The link to each state report can be found below:
