

DRAFT – JANUARY 7, 2011

Rules of the Committee on Ways and Means for the 112th Congress

A. General

Rule 1. Application of House Rules

The rules of the House are the rules of the Committee on Ways and Means and its subcommittees so far as applicable, except that a motion to recess from day to day, and a motion to dispense with the first reading (in full) of a bill or resolution, if printed copies are available, is a non-debatable motion of high privilege in the Committee.

Each subcommittee of the Committee is part of the Committee and is subject to the authority and direction of the Committee and to its rules so far as applicable. Written rules adopted by the Committee, not inconsistent with the Rules of the House, shall be binding on each subcommittee of the Committee.

The provisions of rule XI of the Rules of the House are incorporated by reference as the rules of the Committee to the extent applicable.

Rule 2. Meeting Date and Quorums

The regular meeting day of the Committee on Ways and Means shall be on the second Wednesday of each month while the House is in session. However, the Committee shall not meet on the regularly scheduled meeting day if there is no business to be considered.

A majority of the Committee constitutes a quorum for business; provided however, that two Members shall constitute a quorum at any regularly scheduled hearing called for the purpose of taking testimony and receiving evidence. In establishing a quorum for purposes of a public hearing, every effort shall be made to secure the presence of at least one Member each from the majority and the minority.

The Chairman of the Committee may call and convene, as he considers necessary, additional meetings of the Committee for the consideration of any bill or resolution pending before the Committee or for the conduct of other Committee business. The Committee shall meet pursuant to the call of the Chair.

Rule 3. Committee Budget

For each Congress, the Chairman, in consultation with the Majority Members of the Committee, shall prepare a preliminary budget. Such budget shall include necessary amounts for staff personnel, travel, investigation, and other expenses of the Committee. After consultation with the Minority Members, the Chairman shall include an amount budgeted by Minority Members for staff under their direction and supervision.

Thereafter, the Chairman shall combine such proposals into a consolidated Committee budget,

and shall present the same to the Committee for its approval or other action. The Chairman shall take whatever action is necessary to have the budget as finally approved by the Committee duly authorized by the House. After said budget shall have been adopted, no substantial change shall be made in such budget unless approved by the Committee.

Rule 4. Publication of Committee Documents

Any Committee or Subcommittee print, document, or similar material prepared for public distribution shall either be approved by the Committee or Subcommittee prior to distribution and opportunity afforded for the inclusion of supplemental, minority or additional views, or such document shall contain on its cover the following disclaimer:

Prepared for the use of Members of the Committee on Ways and Means by members of its staff. This document has not been officially approved by the Committee and may not reflect the views of its Members.

Any such print, document, or other material not officially approved by the Committee or Subcommittee shall not include the names of its Members, other than the name of the full Committee Chairman or Subcommittee Chairman under whose authority the document is released. Any such document shall be made available to the full Committee Chairman and Ranking Minority Member not less than 3 calendar days (excluding Saturdays, Sundays, and legal holidays) prior to its public release.

The requirements of this rule shall apply only to the publication of policy-oriented, analytical documents, and not to the publication of public hearings, legislative documents, documents which are administrative in nature or reports which are required to be submitted to the Committee under public law. The appropriate characterization of a document subject to this rule shall be determined after consultation with the Minority.

Rule 5. Official Travel

Consistent with the primary expense resolution and such additional expense resolution as may have been approved, the provisions of this rule shall govern official travel of Committee Members and Committee staff. Official travel to be reimbursed from funds set aside for the full Committee for any Member or any Committee staff member shall be paid only upon the prior authorization of the Chairman. Official travel may be authorized by the Chairman for any Member and any Committee staff member in connection with the attendance of hearings conducted by the Committee, its Subcommittees, or any other Committee or Subcommittee of the Congress on matters relevant to the general jurisdiction of the Committee, and meetings, conferences, facility inspections, and investigations which involve activities or subject matter relevant to the general jurisdiction of the Committee. Before such authorization is given, there shall be submitted to the Chairman in writing the following:

- (1) The purpose of the official travel;
- (2) The dates during which the official travel is to be made and the date or dates of the event for which the official travel is being made;
- (3) The location of the event for which the official travel is to be made; and
- (4) The names of the Members and Committee staff seeking authorization.

In the case of official travel of Members and staff of a Subcommittee to hearings, meetings, conferences, facility inspections and investigations involving activities or subject matter under the jurisdiction of such Subcommittee, prior authorization must be obtained from the Subcommittee Chairman and the full Committee Chairman. Such prior authorization shall be given by the full Committee Chairman only upon the representation by the applicable Subcommittee Chairman in writing setting forth those items enumerated above.

Within 60 days of the conclusion of any official travel authorized under this rule, there shall be submitted to the full Committee Chairman a written report covering the information gained as a result of the hearing, meeting, conference, facility inspection or investigation attended pursuant to such official travel.

Rule 6. Availability of Committee Records and Publications

The records of the Committee at the National Archives and Records Administration shall be made available for public use in accordance with Rule VII of the Rules of the House of Representatives. The Chairman shall notify the Ranking Minority Member of any decision, pursuant to clause 3(b)(3) or clause 4(b) of Rule VII, to withhold a record otherwise available, and the matter shall be presented to the Committee for a determination on the written request of any Member of the Committee. The Committee shall, to the maximum extent feasible, make its publications available in electronic form.

Rule 7. Committee Website

The Chairman shall maintain an official Committee website for the purpose of furthering the Committee's legislative and oversight responsibilities, including communicating information about the Committee's activities to Committee members and other members of the House. The ranking minority member may maintain a similar website for the same purpose, including communicating information about the activities of the minority to Committee members and other members of the House.

B. SUBCOMMITTEES

Rule 8. Subcommittee Ratios and Jurisdiction

All matters referred to the Committee on Ways and Means involving revenue measures, except those revenue measures referred to Subcommittees under paragraphs 1, 2, 3, 4, 5 or 6 shall be considered by the full Committee and not in Subcommittee. There shall be six standing Subcommittees as follows: a Subcommittee on Trade; a Subcommittee on Oversight; a Subcommittee on Health; a Subcommittee on Social Security; a Subcommittee on Human Resources; and a Subcommittee on Select Revenue Measures. The ratio of Republicans to Democrats on any Subcommittee of the Committee shall be consistent with the ratio of Republicans to Democrats on the full Committee.

1. The Subcommittee on Trade shall consist of 14 Members, 9 of whom shall be Republicans and 5 of whom shall be Democrats.

The jurisdiction of the Subcommittee on Trade shall include bills and matters referred to the Committee on Ways and Means that relate to customs and customs administration including tariff and import fee structure, classification, valuation of and special rules applying to imports, and special tariff provisions and procedures which relate to customs operation affecting exports and imports; import trade matters, including import impact, industry relief from injurious imports, adjustment assistance and programs to encourage competitive responses to imports, unfair import practices including antidumping and countervailing duty provisions, and import policy which relates to dependence on foreign sources of supply; commodity agreements and reciprocal trade agreements involving multilateral and bilateral trade negotiations and implementation of agreements involving tariff and non-tariff trade barriers to and distortions of international trade; international rules, organizations and institutional aspects of international trade agreements; budget authorizations for the customs revenue functions of the Department of Homeland Security, the U.S. International Trade Commission, and the U.S. Trade Representative; and special trade-related problems involving market access, competitive conditions of specific industries, export policy and promotion, access to materials in short supply, bilateral trade relations including trade with developing countries, operations of multinational corporations, and trade with non-market economies.

2. The Subcommittee on Oversight shall consist of 11 Members, 7 of whom shall be Republicans and 4 of whom shall be Democrats.

The jurisdiction of the Subcommittee on Oversight shall include all matters within the scope of the full Committee's jurisdiction but shall be limited to existing law. Said oversight jurisdiction shall not be exclusive but shall be concurrent with that of the other Subcommittees. With respect to matters involving the Internal Revenue Code and other revenue issues, said concurrent jurisdiction shall be shared with the full Committee. Before undertaking any investigation or hearing, the Chairman of the Subcommittee on Oversight shall confer with the Chairman of the full Committee and the Chairman of any other Subcommittee having jurisdiction.

3. The Subcommittee on Health shall consist of 14 Members, 9 of whom shall be Republicans and 5 whom shall be Democrats.

The jurisdiction of the Subcommittee on Health shall include bills and matters referred to the Committee on Ways and Means that relate to programs providing payments (from any source) for health care, health delivery systems, or health research. More specifically, the jurisdiction of the Subcommittee on Health shall include bills and matters that relate to the health care programs of the Social Security Act (including titles V, XI (Part B), XVIII, and XIX thereof) and, concurrent with the full Committee, tax credit and deduction provisions of the Internal Revenue Code dealing with health insurance premiums and health care costs.

4. The Subcommittee on Social Security shall consist of 11 Members, 7 of whom shall be Republicans and 4 of whom shall be Democrats.

The jurisdiction of the Subcommittee on Social Security shall include bills and matters referred to the Committee on Ways and Means that relate to the Federal Old Age, Survivors and Disability Insurance System, the Railroad Retirement System, and employment taxes and trust fund operations relating to those systems. More specifically, the jurisdiction of the Subcommittee on Social Security shall include bills and matters involving title II of the Social Security Act and Chapter 22 of the Internal Revenue Code (the Railroad Retirement Tax Act), as well as provisions in title VII and title XI of the Act relating to procedure and administration involving the Old Age, Survivors and Disability Insurance System.

5. The Subcommittee on Human Resources shall consist of 11 Members, 7 of whom shall be Republicans and 4 of whom shall be Democrats.

The jurisdiction of the Subcommittee on Human Resources shall include bills and matters referred to the Committee on Ways and Means that relate to the public assistance provisions of the Social Security Act, including temporary assistance for needy families, child care, child and family services, child support, foster care, adoption, supplemental security income, social services, eligibility of welfare recipients for food stamps, and low-income energy assistance. More specifically, the jurisdiction of the Subcommittee on Human Resources shall include bills and matters relating to titles I, IV, VI, X, XIV, XVI, XVII, XX and related provisions of titles VII and XI of the Social Security Act.

The jurisdiction of the Subcommittee on Human Resources shall also include bills and matters referred to the Committee on Ways and Means that relate to the Federal-State system of unemployment compensation, and the financing thereof, including the programs for extended and emergency benefits. More specifically, the jurisdiction of the Subcommittee on Human Resources shall also include all bills and matters pertaining to the programs of unemployment compensation under titles III, IX and XII of the Social Security Act, Chapters 23 and 23A of the Internal Revenue Code, and the Federal-State Extended Unemployment Compensation Act of 1970, and provisions relating thereto.

6. The Subcommittee on Select Revenue Measures shall consist of 11 Members, 7 of whom shall be Republicans and 4 of whom shall be Democrats.

The jurisdiction of the Subcommittee on Select Revenue Measures shall consist of those revenue measures that, from time to time, shall be referred to it specifically by the Chairman of the full Committee.

Rule 9. Ex-Officio Members of Subcommittees

The Chairman of the full Committee and the Ranking Minority Member may sit as ex-officio Members of all Subcommittees. They may be counted for purposes of assisting in the establishment of a quorum for a Subcommittee. However, their absence shall not count against the establishment of a quorum by the regular Members of the Subcommittee. Ex-officio Members shall neither vote in the Subcommittee nor be taken into consideration for the purposes of determining the ratio of the Subcommittee.

Rule 10. Subcommittee Meetings

Insofar as practicable, meetings of the full Committee and its Subcommittees shall not conflict. Subcommittee Chairmen shall set meeting dates after consultation with the Chairman of the full Committee and other Subcommittee Chairmen with a view towards avoiding, wherever possible, simultaneous scheduling of full Committee and Subcommittee meetings or hearings.

Rule 11. Reference of Legislation and Subcommittee Reports

Except for bills or measures retained by the Chairman of the full Committee for full Committee consideration, every bill or other measure referred to the Committee shall be referred by the Chairman of the full Committee to the appropriate Subcommittee in a timely manner. A Subcommittee shall, within three legislative days of the referral, acknowledge same to the full Committee.

After a measure has been pending in a Subcommittee for a reasonable period of time, the Chairman of the full Committee may make a request in writing to the Subcommittee that the Subcommittee forthwith report the measure to the full Committee with its recommendations. If within seven legislative days after the Chairman's written request, the Subcommittee has not so reported the measure, then there shall be in order in the full Committee a motion to discharge the Subcommittee from further consideration of the measure. If such motion is approved by a majority vote of the full Committee, the measure may thereafter be considered only by the full Committee.

No measure reported by a Subcommittee shall be considered by the full Committee unless it has been presented to all Members of the full Committee at least two legislative days prior to the full Committee's meeting, together with a comparison with present law, a section-by-section analysis of the proposed change, a section-by-section justification, and a draft statement of the budget effects of the measure that is consistent with the requirements for reported measures under clause 3(d)(2) of Rule XIII of the Rules of the House of Representatives.

Rule 12. Recommendation for Appointment of Conferees

Whenever in the legislative process it becomes necessary to appoint conferees, the Chairman of the full Committee shall recommend to the Speaker as conferees the names of those Committee Members as the Chairman may designate. In making recommendations of Minority Members as conferees, the Chairman shall consult with the Ranking Minority Member of the Committee.

C. HEARINGS

Rule 13. Witnesses

In order to assure the most productive use of the limited time available to question hearing witnesses, a witness who is scheduled to appear before the full Committee or a Subcommittee shall file with the Clerk of the Committee at least 48 hours in advance of his or her appearance a written statement of their proposed testimony. In addition, all witnesses shall comply with formatting requirements as specified by the Committee and the Rules of the House. Failure to comply with the 48-hour rule may result in a witness being denied the opportunity to testify in person. Failure to comply with the formatting requirements may result in a witness's statement being rejected for inclusion in the published hearing record. In addition to the requirements of clause 2(g)(4) of Rule XI of the Rules of the House regarding information required of public witnesses, a witness shall limit his or her oral presentation to a summary of their position and shall provide sufficient copies of their written statement to the Clerk for distribution to Members, staff and news media.

A witness appearing at a public hearing, or submitting a statement for the record of a public hearing, or submitting written comments in response to a published request for comments by the Committee must include in their statement or submission, a list of all clients, persons or organizations on whose behalf the witness appears. Oral testimony and statements for the record, or written comments in response to a request for comments by the Committee, will be accepted only from citizens of the United States or corporations or associations organized under the laws of one of the 50 States of the United States or the District of Columbia, unless otherwise directed by the Chairman of the full Committee or Subcommittee involved. Written statements from non-citizens may be considered for acceptance in the record if transmitted to the Committee in writing by Members of Congress.

Rule 14. Questioning of Witnesses

Committee Members may question witnesses only when recognized by the Chairman for that purpose. All Members shall be limited to five minutes on the initial round of questioning. In questioning witnesses under the five minute rule, the Chairman and the Ranking Minority Member shall be recognized first, after which Members who are in attendance at the beginning of a hearing will be recognized in the order of their seniority on the Committee. Other Members shall be recognized in the order of their appearance at the hearing. In recognizing Members to question witnesses, the Chairman may take into consideration the ratio of Majority Members to Minority Members and the number of Majority and Minority Members present and shall apportion the recognition for questioning in such a manner as not to disadvantage Members of the majority.

Rule 15. Subpoena Power

The power to authorize and issue subpoenas is delegated to the Chairman of the full Committee, as provided for under clause 2(m)(3)(A)(i) of Rule XI of the Rules of the House of Representatives.

Rule 16. Records of Hearings

An accurate stenographic record shall be kept of all testimony taken at a public hearing. The staff shall transmit to a witness the transcript of his or her testimony for correction and immediate return to the Committee offices. Only changes in the interest of clarity, accuracy and corrections in transcribing errors will be permitted. Changes that substantially alter the actual testimony will not be permitted. Members shall have the opportunity to correct their own remarks before publication. The Chairman of the full Committee may order the printing of a hearing without the corrections of a witness or Member if he determines that a reasonable time has been afforded to make corrections and that further delay would impede the consideration of the legislation or other measure that is the subject of the hearing.

Rule 17. Broadcasting of Hearings

The provisions of clause 4(f) of Rule XI of the Rules of the House of Representatives are specifically made a part of these rules by reference. In addition, the following policy shall apply to media coverage of any meeting of the full Committee or a Subcommittee:

(1) An appropriate area of the Committee's hearing room will be designated for members of the media and their equipment.

(2) No interviews will be allowed in the Committee room while the Committee is in session. Individual interviews must take place before the gavel falls for the convening of a meeting or after the gavel falls for adjournment.

(3) Day-to-day notification of the next day's electronic coverage shall be provided by the media to the Chairman of the full Committee through an appropriate designee.

(4) Still photography during a Committee meeting will not be permitted to disrupt the proceedings or block the vision of Committee Members or witnesses.

(5) Further conditions may be specified by the Chairman.

D. MARKUPS

Rule 18. Previous Question

The Chairman shall not recognize a Member for the purpose of moving the previous question unless the Member has first advised the Chair and the Committee that this is the purpose for which recognition is being sought.

Rule 19. Postponement of Proceedings

The Chairman may postpone further proceedings when a record vote is ordered on the question of approving any measure or matter or adopting an amendment.

The Chairman may resume proceedings on a postponed request at any time. In exercising postponement authority the Chairman shall take reasonable steps to notify Members on the resumption of proceedings on any postponed record vote.

When proceedings resume on a postponed question, notwithstanding any intervening order for the previous question, an underlying proposition shall remain subject to further debate or amendment to the same extent as when the question was postponed.

Rule 20. Motion to go to Conference

The Chairman is authorized to offer a motion under clause 1 of rule XXII of the Rules of the House of Representatives whenever the Chairman considers it appropriate.

Rule 21. Official Transcripts of Markups and Other Committee Meetings

An official stenographic transcript shall be kept accurately reflecting all markups and other official meetings of the full Committee and the Subcommittees, whether they be open or closed to the public. This official transcript, marked as "uncorrected," shall be available for inspection by the public (except for meetings closed pursuant to clause 2(g)(1) of Rule XI of the Rules of the House), by Members of the House, or by Members of the Committee together with their staffs, during normal business hours in the full Committee or Subcommittee office under such controls as the Chairman of the full Committee deems necessary. Official transcripts shall not be removed from the Committee or Subcommittee office.

If, however, (1) in the drafting of a Committee or Subcommittee decision, the Office of the House Legislative Counsel or (2) in the preparation of a Committee report, the Chief of Staff of the Joint Committee on Taxation determines (in consultation with appropriate majority and minority committee staff) that it is necessary to review the official transcript of a markup, such transcript may

be released upon the signature and to the custody of an appropriate committee staff person. Such transcript shall be returned immediately after its review in the drafting session.

The official transcript of a markup or Committee meeting other than a public hearing shall not be published or distributed to the public in any way except by a majority vote of the Committee. Before any public release of the uncorrected transcript, Members must be given a reasonable opportunity to correct their remarks. In instances in which a stenographic transcript is kept of a conference committee proceeding, all of the requirements of this rule shall likewise be observed.

Rule 22. Publication of Decisions and Legislative Language

A press release describing any tentative or final decision made by the full Committee or a Subcommittee on legislation under consideration shall be made available to each Member of the Committee as soon as possible, but no later than the next day. However, the legislative draft of any tentative or final decision of the full Committee or a Subcommittee shall not be publicly released until such draft is made available to each Member of the Committee.

E. STAFF

Rule 23. Supervision of Committee Staff

The staff of the Committee shall be under the general supervision and direction of the Chairman of the full Committee except as provided in clause 9 of Rule X of the Rules of the House of Representatives concerning Committee expenses and staff.

Pursuant to clause 6(d) of Rule X of the Rules of the House of Representatives, the Chairman of the full Committee, from the funds made available for the appointment of Committee staff pursuant to primary and additional expense resolutions, shall ensure that each Subcommittee receives sufficient staff to carry out its responsibilities under the rules of the Committee, and that the minority party is fairly treated in the appointment of such staff.
