

“Dr. Coburn will be reviewing the ruling and will respond with an updated plan to repeal and replace this unworkable law. The Court affirmed Congress’ power to tax people if they don’t eat their broccoli. Now it’s up to the American people to decide whether they will tolerate this obscene abuse of individual liberty.” – John Hart

Remember, in 2009, Dr. Coburn authored the leading Obamacare alternative, the [Patients’ Choice Act](#), with Senator Richard Burr (R-NC) and Reps. Paul Ryan (R-WI) and Devin Nunes (R-CA).
