

Comment Of Senator Patrick Leahy (D-Vt.),
Chairman, Senate Judiciary Committee,
On Supreme Court's Grant Of Cert On Challenge To The Affordable Care Act
November 14, 2011

"I am glad the Supreme Court will hear arguments on the Affordable Care Act. Most appellate courts have upheld the constitutionality of this historic law, and when the Senate voted to pass the Affordable Care Act, it also voted specifically on its constitutionality. I hope the Supreme Court will defer to Congress in addressing this national problem."
